Los Angeles Unified School District**

ATHLETIC ELIGIBILITY TRANSFER RULE ACKNOWLEDGEMENT FORM

The Athletic Eligibility Transfer rule states:

Valid change of residence - When a student and the entire family changes residence, the student may be granted unlimited eligibility allowing him/her to play all sports at any level at the new school. Other rules do apply; consult your administrator.

Transfer without a valid change of residence - A 9th grade student who is transferring for the 2nd time or any 10th, 11th or 12th grade student who transfers without a valid change of residence may or may not be granted "Limited Eligibility." Students granted "Limited Eligibility" are limited for one year (from the date of transfer) to non-varsity competition in CIF sports they participated in during the previous 12 calendar months but may participate in varsity competition in all other CIF sports. (Bylaw 207)

One transfer before 10th grade – A new CIF bylaw allows students to transfer one time without a valid change of residence and retain varsity eligibility. This transfer must occur BEFORE the first day of the student’s third consecutive semester (typically the first day of the 10th grade). Other rules do apply; consult with your school administrator. For more detailed information, please refer to the back of this brochure. (Bylaw 207)

Students and parents anticipating a change of schools should first seek advice from their high school administration.

A transfer student will maintain non-varsity level eligibility; however, with any transfer for disciplinary reasons, the student is **ineligible** for athletics at any level for one year from the date of the transfer.

I have read and understand the Athletic Eligibility Transfer Rule.
