KQED Youth Media Challenges

Audience: Middle and High School Students

Date: Open now until June, 2022

[Learn More](#)

Description:Join a Youth Media Challenge to engage student voice and choice and foster civic engagement. Challenges are open to middle and high school students across the U.S. These standards-aligned projects, for multiple content areas, are ideal for distance or in-person instruction and come with ready-to-use curricular supports for self-directed learning. All student media submissions will be published on the online public showcase. Select challenge submissions will be aired on KQED broadcasts and shared with PBS and NPR member stations around the country.

Career Pathway Connections support SLATE-Z schools by implementing different strategies and plans to improve Career Technical Education pathways while providing Career Based/ Work Based experiences/ opportunities for students and educators attending these institutions. We are looking to ensure more local students are exposed, prepared and pursue jobs in career pathways. We aim to improve the quality and quantity of skilled workers who are lifelong workers and have transferable skills. [Learn more](#)
